Drive your Ambition

LIKE NO OTHER SUV
ON THE PLANET

Imagine a fuel-saving SUV with an exceptionally small environmental footprint, no compromises in performance and capability, and with all the comforts and amenities of a premium vehicle. That's the 2020 Outlander Plug-in Hybrid Electric Vehicle. The smarter way to SUV.

Featuring twin 80 HP electric motors linked to a 12 kWh lithium-ion battery and a highly efficient 2.0 L MIVEC gasoline engine, the Outlander PHEV automatically switches between three distinct drive modes:

EV Drive Mode uses the lithium-ion battery to power the electric motors for a quiet, clean and powerful drive with zero fuel consumption and zero CO₂ tailpipe emissions.

Series Hybrid Mode uses engine-generated electricity to power the electric motors. This provides an additional boost when more power is needed, including when driving uphill and accelerating.

Parallel Hybrid Mode employs the engine to power the wheels of the Outlander PHEV, with assistance from the electric motors when extra power is needed. Excess energy is used to charge the lithium-ion battery when driving in this mode.

The one-of-a-kind Mitsubishi Outlander PHEV is eco-friendly, off-road capable and ready to take you anywhere. No wonder it's the world's best-selling plug-in hybrid SUV.[†]

[†] Best-selling plug-in hybrid SUV claim based on latest sales data (May 2019). Source: IHS Markit/Jato Dynamics Limited.

THE CONTROL YOU CRAVE EVEN IN ALL-ELECTRIC DRIVING

The Outlander PHEV is the only plug-in hybrid electric SUV in Canada that offers all-electric 4-wheel drive capability, meaning you can enjoy the confidence of Mitsubishi Motors' rally-bred Super All-Wheel Control (S-AWC) even in zero-emissions EV Drive Mode.

This specially engineered S-AWC system features two driver selectable settings and uses the vehicle's twin electric motors to deliver traction to the wheels that need it most, whenever they need it. **Normal** offers well-balanced, 4-wheel drive performance resulting in enhanced efficiency, traction, high-speed stability and predictable handling based on road and driving conditions. **Lock** provides maximum torque distribution to all four wheels at all times for drivers who prefer to take the road less travelled, or for situations where more traction is required.

For more information on S-AWC, visit mitsubishi-motors.ca.

FUEL ECONOMY

OUTLANDER PHEV	CITY	HIGHWAY	COMBINED
Charge-Depleting Energy Consumption	3.0 L _e /100 KM	3.4 L _e /100 KM	3.2 L _e /100 KM

Actual efficiency will vary depending on conditions such as external elements, driving behaviours, vehicle maintenance and lithium-ion battery age.
Based on Natural Resources Canada's testing methodology.

CHARGE YOUR OUTLANDER PHEV EASILY & ALMOST ANYWHERE

The Outlander PHEV is designed to charge almost anywhere, using any of three charging methods.

LEVEL 1 CHARGING

AC 120V / 12A (Household Current)

Full Charge: 8 Hours[†]

Using supplied cordset

LEVEL 2 CHARGING

AC 240V

Full Charge: 3.5 Hours[†]

Using an Electric Vehicle Supply Equipment (EVSE) charging station (EVSE not supplied with vehicle)

LEVEL 3 CHARGING

DC Quick Charging

80% Charge: 25 Minutes[†]

Using a CHAdeMO protocol public charger

[†] All charge times are approximate.

TREAT YOURSELF TO COMFORT & CONVENIENCE

There's much more to the Outlander PHEV than eco-friendly performance and all-electric 4-wheel drive capability: it also comes with an outstanding array of amenities.

These include 5-passenger seating with standard features like heated front seats for winter comfort and easy-folding rear seatbacks that make room for added cargo. There's also a new, standard 8" Smartphone Link Display Audio system featuring Android Auto™, Apple CarPlay² and SiriusXM® Radio. Plus convenient storage for the vehicle's standard charging cable. And Mitsubishi Remote Control – a smartphone app that lets you pre-heat or pre-cool the cabin, check the current status of your vehicle and set charging times to take advantage of the lowest electricity rates.*

For an even more luxurious experience, indulge yourself with features like a new 8-speaker Mitsubishi Power Sound System, a power glass sunroof or new quilted leather-appointed seats. Still looking for more? Well, you'll find it with thoughtful extras that include an available power liftgate, an auto-hold electric parking brake and an auto-dimming rearview mirror that helps reduce glare from other vehicles' headlights.

Isn't it comforting to know you can be kind to the planet and yourself?

8" MITSUBISHI POWER SOUND SYSTEM SMARTPHONE DISPLAY AUDIO

TRAVEL SAFELY & WELL PROTECTED

Mitsubishi Motors has assembled a wide range of safety technologies to help ensure you travel safely wherever life's journeys lead you.

This begins with a Reinforced Impact Safety Evolution (RISE) body, utilizing high tensile strength steel and crumple zones that absorb and disperse energy during high-impact collisions. Strategic reinforcements at key body points complement its side-impact door beams, giving your Outlander PHEV a stable, secure base that's worth its weight in safety.

And the story continues inside with even more features, including 7 standard airbags, an available Multi View Camera System (MVCS) and the latest driver-assistance technologies.

WARRANTY PROTECTION

AT MITSUBISHI MOTORS, WE'RE SO CONFIDENT IN THE QUALITY, RELIABILITY AND DURABILITY OF THE VEHICLES WE BUILD THAT WE BACK THEM WITH SOME OF THE MOST COMPREHENSIVE WARRANTIES AVAILABLE.

10-YEAR/160,000 KM

LITHIUM-ION BATTERY LIMITED WARRANTY**

5-YEAR/100,000 KM

NEW VEHICLE LIMITED WARRANTY**

5-YEAR/UNLIMITED KM

ROADSIDE ASSISTANCE**

MORE PEACE OF MIND

THESE SAFETY FEATURES ARE STANDARD ON ALL OUTLANDER PHEV TRIM LEVELS.

ANTI-LOCK BRAKING SYSTEM (ABS)

ELECTRONIC BRAKE-FORCE DISTRIBUTION (EBD)

ACTIVE STABILITY CONTROL (ASC)

BRAKE ASSIST SYSTEM (BAS)

TRACTION CONTROL LOGIC (TCL)

TIRE PRESSURE MONITORING SYSTEM (TPMS)

HIGH VOLTAGE CUT-OFF SYSTEM

7 Standard Airbags

Help protect you and your passengers in a variety of collision situations. Protection includes dual front airbags, front seat-mounted side-impact airbags, side-impact curtain airbags (front and rear) and a driver's knee airbag.

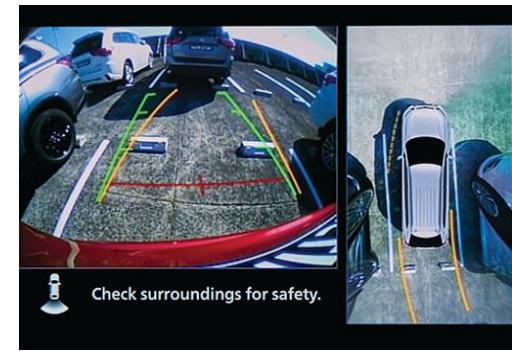

Blind Spot Warning (BSW)¹

Alerts you when a vehicle is in or approaching your blind spot. When a vehicle in the next lane is travelling at the same speed or faster in the detection areas, a warning light illuminates on the corresponding side mirror. If you switch the turn signal on, the warning light on the corresponding mirror will blink and the system will beep three times to alert you that it is unsafe to change lanes.

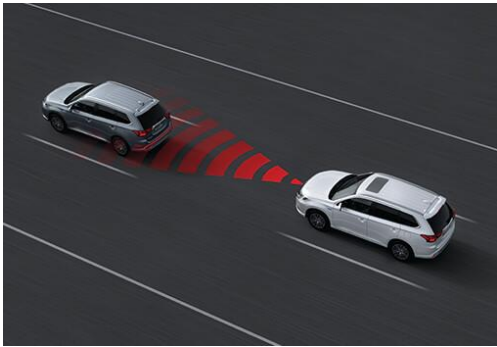

Auto High Beams (AHB)¹

Detect light levels of oncoming vehicles and automatically switch the Outlander PHEV's headlamps between low and high beams – a welcome safety feature when driving on dimly-lit roads.

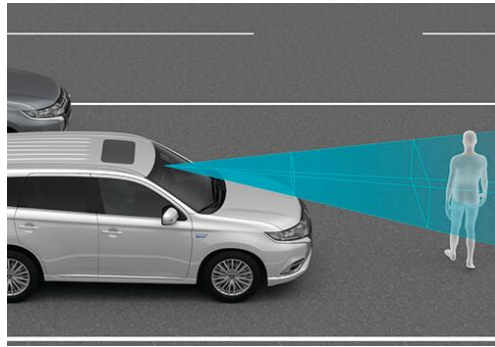

Multi View Camera System (MVCS)¹

Creates a virtual 360° panoramic bird's-eye view of the area surrounding the vehicle, allowing you to navigate tight driveways, look out for objects in blind spots, and park with confidence and safety.

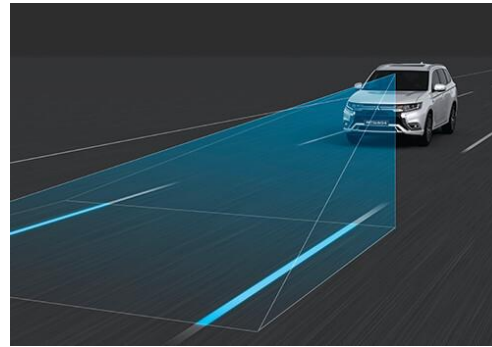

Adaptive Cruise Control (ACC)¹

Uses radar technology to judge distances between you and the vehicle ahead, helping maintain a safe distance. If that vehicle moves out of your lane or goes beyond your set speed, the system will resume your set speed.

Forward Collision Mitigation (FCM)¹

Utilizes both laser radar and camera technology to determine if a frontal collision is imminent. If so, it warns you with audible and visual signals, and automatically applies moderate to emergency braking to reduce the severity of the collision and, if possible, prevent the collision altogether.

Lane Departure Warning (LDW)¹

Uses an onboard camera to monitor lane position in front of the vehicle, providing audible and visual alerts if it detects your vehicle leaving the lane unintentionally.

Rear Cross Traffic Alert (RCTA)¹

Detects a vehicle approaching from the side while you're backing up. It alerts you with flashing warning lights on both side mirrors, a buzzer that sounds in the cabin and a warning message that appears in the instrument cluster.

OUTLANDER PHEV SE S-AWC / STANDARD SPECIFICATIONS:

- ON-BOARD CHARGING SYSTEM WITH 2-MODE 120V 8A/12A CABLE
- BATTERY WARMING SYSTEM
- DC QUICK CHARGE PORT
- CHARGER LID LOCKING SYSTEM
- MITSUBISHI REMOTE CONTROL
- 1500-WATT POWER SUPPLY
- ACOUSTIC VEHICLE ALERTING SYSTEM
- PADDLE SHIFTERS (REGENERATIVE BRAKING)
- 2.0 L DOHC MIVEC 4 CYLINDER ENGINE
- 1-SPEED TRANSMISSION
- SUPER ALL-WHEEL CONTROL (S-AWC) WITH DRIVE MODE SELECTOR
- FRONT MACPHERSON STRUT & REAR MULTI-LINK SUSPENSION
- FRONT & REAR STABILIZER BAR
- VENTILATED FRONT DISC & SOLID REAR DISC BRAKES
- ELECTRIC PARKING BRAKE
- VARIABLE ASSISTED POWER RACK & PINION STEERING
- REARVIEW CAMERA
- DUAL FRONT AIRBAGS

- SIDE-IMPACT CURTAIN AIRBAGS (FRONT & REAR)
- FRONT SEAT-MOUNTED SIDE-IMPACT AIRBAGS
- DRIVER'S KNEE AIRBAG
- ANTI-LOCK BRAKING SYSTEM (ABS)
- ELECTRONIC BRAKE-FORCE DISTRIBUTION (EBD)
- ACTIVE STABILITY CONTROL (ASC)
- TRACTION CONTROL LOGIC (TCL)
- HILL START ASSIST (HSA)
- BRAKE OVERRIDE SYSTEM (BOS)
- BRAKE ASSIST SYSTEM (BAS)
- BLIND SPOT WARNING (BSW)[†]
- REAR CROSS TRAFFIC ALERT (RCTA)[†]
- ANTI-THEFT ENGINE IMMOBILIZER
- ANTI-THEFT SECURITY ALARM SYSTEM
- TIRE PRESSURE MONITORING SYSTEM (TPMS)
- LATCH SYSTEM (LOWER ANCHORS & TETHERS FOR CHILD RESTRAINT SEATS)
- REAR DOOR CHILD SAFETY LOCKS
- HEIGHT ADJUSTABLE FRONT SEATBELTS
- FRONT SEATBELT PRETENSIONERS & FORCE LIMITERS

- 3-POINT SEATBELTS FOR ALL SEATING POSITIONS
- HEIGHT ADJUSTABLE FRONT HEAD RESTRAINTS
- RISE BODY CONSTRUCTION
- REAR CENTRE HIGH-MOUNT STOP LAMP
- SILVER PAINTED ROOF RAILS
- ROOF MOUNT ANTENNA (SHARK FIN TYPE)
- 18" ALLOY WHEELS WITH P225/55 R18 ALL-SEASON TIRES
- FAST-KEY KEYLESS ENTRY WITH PUSH-BUTTON START & PANIC ALARM
- HEATED & POWER-FOLDING SIDE-VIEW MIRRORS WITH TURN SIGNALS
- AUTO ON/OFF HALOGEN HEADLAMPS
- VARIABLE INTERMITTENT RAIN-SENSING WINDSHIELD WIPERS & WASHER
- WINDSHIELD WIPER DE-ICER
- REAR PRIVACY GLASS
- REAR SPOILER
- REAR AIR OUTLETS
- LED DAYTIME RUNNING LAMPS & LED REAR COMBINATION LAMPS

- BLUETOOTH[®] HANDS-FREE CELLULAR PHONE INTERFACE & USB INPUT
- 8" SMARTPHONE LINK DISPLAY AUDIO WITH ANDROID AUTO[™] & APPLE CARPLAY² WITH 6 SPEAKERS
- SIRIUSXM[®] SATELLITE RADIO WITH 3 MONTHS COMPLIMENTARY SERVICE
- ARTIFICIAL SUEDE-APPOINTED SEATS WITH CONTRAST STITCHING
- POWER DRIVER'S SEAT
- HEATED FRONT SEATS
- 60/40 SPLIT-FOLDING REAR SEAT
- POWER WINDOWS WITH AUTO-UP & DOWN FUNCTION (ALL FOR DRIVER)
- ILLUMINATED WINDOW SWITCHES
- DUAL-ZONE AUTOMATIC CLIMATE CONTROL
- STEERING WHEEL-MOUNTED CRUISE CONTROL & AUDIO CONTROLS
- LEATHER-WRAPPED STEERING WHEEL

OUTLANDER PHEV LE S-AWC / INCLUDES ALL EQUIPMENT OF THE SE S-AWC, PLUS:

- POWER GLASS SUNROOF WITH SUNSHADE
- POWER LIFTGATE
- HEATED STEERING WHEEL
- AUTO-DIMMING REARVIEW MIRROR WITH HOMELINK[™]

OUTLANDER PHEV SEL S-AWC / INCLUDES ALL EQUIPMENT OF THE LE S-AWC, PLUS:

- AUTO-ON/OFF LED HEADLAMPS
- LED FRONT FOG LAMPS
- LEATHER-APPOINTED SEATS WITH CONTRAST STITCHING
- BLACK HEADLINER

OUTLANDER PHEV GT S-AWC / INCLUDES ALL EQUIPMENT OF THE SEL S-AWC, PLUS:

- ADAPTIVE CRUISE CONTROL (ACC)[‡]
- LANE DEPARTURE WARNING (LDW)[‡]
- MULTI VIEW CAMERA SYSTEM[‡]
- 8" MITSUBISHI POWER SOUND SMARTPHONE DISPLAY AUDIO WITH ANDROID AUTO[™] & APPLE CARPLAY² WITH 8 SPEAKERS
- FORWARD COLLISION MITIGATION (FCM)[†]
- AUTO HIGH BEAMS (AHB)[†]
- QUILTED LEATHER-APPOINTED SEATS

PERSONALIZE YOUR OUTLANDER PHEV

You chose the Mitsubishi Outlander Plug-in Hybrid Electric Vehicle because it best fits you and your lifestyle – now it's time to make it uniquely yours. Mitsubishi Motors Genuine Accessories are designed specifically for your Outlander PHEV, to offer added convenience, protection and style, as you see fit. A perfect fit to be precise, meeting all required standards and covered under a Mitsubishi Motors warranty.

Personalize, customize and accessorize your Outlander PHEV your way... just be prepared to get noticed.

- TRAILER HITCH / TRAILER HITCH HARNESS
- WHEEL LOCKS
- ALL-WEATHER FLOOR GUARDS
- REAR BUMPER PROTECTION PLATE
- HOOD PROTECTOR
- BLOCK HEATER
- MUDGUARDS (FRONT & REAR)
- ROOF CARRIER SYSTEM
